RE: Possible Change in Ownership & Lapsed Water Right Permit No. 63-34386

Dear Property Owner:

The Department of Water Resources (Department) has reason to believe you may be the owner of all or part of the property associated with water right permit 63-34386 (permit). The permit authorizes a total diversion rate of 0.25 cubic feet per second of groundwater for irrigation, domestic and stockwater in Section 16, Township 5N, Range 1W, B.M., Ada County.

According to Department records, the current permit holder is Dahle Sheep LLC. A condition of the permit required the permit holder to submit a proof of beneficial use statement to the Department on or before **August 1, 2024**. The Department notified Dahle Sheep, LLC by certified mail at 1036 E Iron Eagle Dr, Ste 100, Eagle, ID 83616. The correspondence was returned to our office marked "no such number, unable to forward" by the US Postal Service.

Since the permit holder could not be located to submit the required proof statement on time, this permit has lapsed, and authorization to develop and/or divert water for the permitted use must cease. You are being notified in case you have an interest in this permit and want to submit the proof statement, or a request for extension of time to provide additional time in which to submit proof of beneficial use.

You will also need to complete a *Notice of Change in Water Right Ownership.* I have enclosed the form and instructions for your benefit.

Along with the ownership change notice, you must submit either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* form (enclosed) to reinstate the lapsed permit. **You have 60 days from the date of the lapse notice, or until February 16, 2025 to file one of the forms to reinstate this permit.** If no response is received from you this permit will remain lapsed.

For your reference I am enclosing a copy of this permit, a map representing the permit place of use, and a copy of returned correspondence sent to the current permit holder. This permit lapsed on the permit proof of beneficial use due date of August 1, 2024.

If you have any questions, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley
