Hi Joanne,

As per our phone conversation, I have prepared the notice of claim based on license 96-7831 for you. This form can be used to claim the water rights on your property. I have also included a map, as we discussed. Please indicate on the map where your well is located, and draw a line around where you are irrigating (although I do think I got a clear picture of that when we were speaking). Additionally, please sign the claim form, and return all items to our office at the address below. Please include a check for \$25.00 made out to IDWR.

Don't hesitate to reach out with any questions.

Thank you,

Greg Cooksey
