Re: Map needed for CFRBA claim no. 97-2051, additional claim form for domestic well use

Dear Mrs. Storro,

As per our phone conversation yesterday regarding CFRBA claim no. 97-2051, I am sending you a map which can be used to detail where on your property you are irrigating. Please mark the enclosed map and identify where the irrigation is taking place and where the water is diverted from the creek.

I've also enclosed a blank Notice of Claim to a Water Right form, which can be utilized to claim the water uses from the well on your property. If you need assistance completing this claim form, feel free to reach out to us and we'll be happy to help.

After your completion, please return the marked claim map for 97-2051 and the signed claim form, along with the required \$25.00 filing fee and any supporting evidence, to our office at the address listed above. Do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Evan Roda
Water Rights Supervisor
