Good morning John,

My previous email included the claim forms you need as attachments, but I've also attached them to this email for your convenience. If you wish to amend claim no. 97-9078 to claim each home separately, you will just use the standard claim form (42-1409-2) and write "Amended" across the top. Be sure to also write the claim number on the form (Section #14). Form 42-1409-2 will also be the appropriate form to file your additional claims.

Feel free to call our office if you have any questions.

~Evan

Hi Evan,

Thanks for the timely reply and for answering our questions.

I cannot find the Amended Notice of Claim form on-line. We want to amend 97-9078 so that the 4 water claims, for the 4 homes can be processed separately.

Do you have a PDF file or link to this form?

Thanks
John Hawley

Thank you John. We just received the amended claim and additional evidence in the mail today and will add that to your claim files.
