Bill,

Thank you for your call today. I have generated a claim based on the license information you provided (96-8457), and attached it to this e-mail. Please carefully review the information that was generated for the claim and make sure it is accurate and true. Once you are ready to sign, please do so, and return the claim form to us with the claim fee for \$25.00. I understand that you have a second claim form that you have already prepared that you will be sending to us as well. Based on your description of that claim, the fee for the second claim would also be \$25.00, and you may pay for both claims in a single check made out to IDWR for \$50.00.
