9. **Remarks:**

On my "Claim input summary", under "Place of use PLS", your software has autofilled locations that are wrong. I was not able to delete them. The only correct location is NW 1/4 of SW 1/4 of Sec. 29. Under "Domestic, Stockwater, Fire Protection, and Commercial Storage" all 4 have SW/SW of 29 and Sec. 30. I did not enter these locations, and they are not correct. It seems your polygon map may not align exactly with the legal description and the tax parcel description, hence it autofills adjacent parcels. I hope I described this clearly, feel free to contact me for clarification. Thank you, -WG-
