RE: Water Permit 92-11091

Dear Property Owner:

The Department of Water Resources (Department) has reason to believe you may be the owner of all or part of the property associated with water right permit 92-11091 (permit). The permit authorizes a total diversion rate of 0.04 cubic feet per second of ground water for domestic use in a portion of Section 11, Township 44N, Range 01W, Benewah County.

According to Department records, the current permit holders are Steven Lippert and Tina Lippert. A condition of the permit required the permit holder to submit a proof of beneficial use statement to the Department on or before **February 1, 2025**. The Department notified Steven Lippert and Tina Lippert by certified mail, PO Box 225, Santa, ID, 83866-0225. The correspondence was returned to our office marked "not deliverable as addressed, unable to forward" by the US Postal Service.

If you are the current owner of the property appurtenant to water permit 92-11091, a Notice of Change in Water Right Ownership must be completed.

Along with the ownership change notice, you must submit either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* form. If the Department does not receive either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* by **February 1, 2025**, the permit will lapse.

I am enclosing a copy of the permit, a map showing the place of use, a Statement of Completion for Submitting Proof Beneficial Use, a Request for Extension of Time and a Notice of Change in Water Right Ownership form for your benefit. These forms can also be found on the Department's website, www.idwr.idaho.gov.

If you have any questions, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist II
