Hello,

I am inquiring as to the status of this water license and the notice of claim in the attached documents. Based on the memo to file (obtained from the IDWR web database), it appears that this claim is not fully adjudicated. Hansen Investments LLC does not want its water rights transferred to someone else and would like to dispute such action.

Please give me a call to discuss the status and potential next steps that Hansen Investments LLC could take to dispute this matter.

Thanks and best regards,
