10. Do you own the property listed above as place of use? Yes

If your answer is no, describe in remarks below the authority you have to claim this water right.

11. Other Water Rights Used:

12. Remarks:

Priority Date Explanation:

AS PER LICENSE 96-9234

This right when combined with all other rights shall provide no more than 0.03 cfs per acre nor more than 3.0 afa per acre at the field headgate for irrigation of the lands above.

A fish screen of 1/4 inch or smaller mesh shall be installed and maintained at the point of diversion.

Domestic use is for 1 home. Irrigation of lawn, garden and landscaping associated with the home is authorized under the irrigation component of this right.

The approach velocity at the point of diversion shall not exceed 0.5 feet per second.

Use of water under this power right shall be non-consumptive.

This right does not constitute Idaho Public Utilities Commission or Federal Energy Regulatory Commission approval that may be required.

The term of this water right license shall extend to December of 2030. Prior to the expiration of the term, the Director may issue an order canceling all or any part of the use authorized herein, may establish a new term, or may revise, delete, or add conditions under which the water right license may be exercised. The order shall take effect on the date the current term expires. If the Director does not issue such an order, the term shall automatically extend to a length equal to the project's prior term and any prior conditions on the water right license shall remain in effect.

The rights for the use of water acquired under this right shall be junior and subordinate to all other rights for the use of water, other than hydropower, within the State of Idaho that are initiated later in time than the priority of this right and shall not give rise to any claim against any future rights for the use of water, other than hydropower, within the State of Idaho initiated later in time than the priority of this permit.

This right is subject to the provisions of Sections 42-205 through 42-210, Idaho Code, restricting the sale, transfer, assignment, or mortgage of this right. Failure to comply with these provisions is cause for immediate cancellation of this right.

This right does not grant any right-of-way or easement across the land of another.
