RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim
Withdrawal of Application for Permit 96-15042

Dear Claimant,

I was notified by Luke Bates that he was recently in contact with you concerning an application for permit which you submitted through IDWR's online filing application. My understanding is that you accidentally filed "**Application for Permit**" 96-15042, when your intent was to file a **Notice of Claim** in the Clark Fork-Pend Oreille River Basin Adjudication for the existing water right license on the property, water right no. 96-9261. If this is the case, then you will need to withdraw your Application for Permit and submit a completed Notice of Claim form.

I have enclosed the following documents:

- 1) Partially completed Notice of Claim to a Water Right No. 96-9261

For your convenience, I have enclosed a Notice of Claim to a Water Right form that has been mostly completed utilizing the information you provided online, your discussion with Luke, and also the existing water right license. You will need to complete the following section before signing and retuning the claim:

Item 14. Docket Sheet Question:

The docket sheet is a monthly summary of all the documents filed with the court in the previous month, and the dates and locations of hearings set for the following three months. You can get a copy of a docket sheet for the cost of mailing and/or copying, or you can get a subscription to receive the docket sheet each month. You can access the docket sheet for FREE at: http://www.srba.idaho.gov/CFPRBA_DCKT.HTM

- 2) "*Request For Withdrawal of Application For Permit With Filing Fees Applied To Notice Of Claim*" form:

I have also enclosed a Request for Withdrawal of your application for permit. Here you can request that filing fees paid under the application for permit be applied to your notice of claim. Claim fees are based on what water uses are claimed, however, based on the information in the application for permit and the water right license, your claim fees are \$25.00. Any refunds will be processed after receiving the new claim and the completed Request for Withdrawal.

3) *"How you will Receive Notices in the Clark Fork-Pend Oreille River Basin Adjudication"*

4) Copy of Receipt #T115461

Please return the completed Notice of Claim and Request for Withdrawal form to:
