Dear Mr. Davis,

As per our phone conversation today, I am sending you a Notice of Claim to a Water Right form, which can be utilized to claim the water right license on your property. For your convenience, I completed much of the claim form for you, utilizing all the information from the existing license. If any changes are made, please be sure to initial those changes before signing the claim form. After your review, please return the signed claim form along with the required **\$55.00** filing fee to our office at the address listed above. During our phone conversation, I estimated the fees for your claim based only on the domestic use you mentioned. Upon examining the license, I see there are other uses on there. The \$25.00 fee I initially estimated would be incorrect for your claim, and the correct fee is **\$55.00**.

Please do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Greg Cooksey
Senior Water Resource Agent
Northern Region
