Subject: Notice of Claim to Water Right 96-9663

Dear Ms. Williams,

As per our phone conversation today, I am sending you a Notice of Claim to a Water Right form, which can be utilized to claim the water right license on your property. For your convenience, I completed much of the claim form for you, utilizing all the information from the existing license.

PLEASE NOTE: The claim is in your name, as you have current ownership of the water right license. However, the property is listed under the ownership of the Aguilar Trust with you shown as trustee. Typically, it is best for the ownership of the water right to match that of the property served. If you would like to make that change on this claim form, the document is in a Microsoft Word format, which will allow for that change to be made. If you choose to list the trust as claimant, be sure to also revise the answer at question #10.

After your review, please return the signed claim form along with the required \$25.00 filing fee to our office at the address listed below.

Do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Evan
