RE: Change in Ownership Water Right No(s): 95-9568, 95-9576, 95-9684, 95-9708, & 95-9742

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice). However, the warranty deed for the property was not supplied with the Notice.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the property deed. Please note, the Department will need completed deed with the notary stamp and signatures, and property boundary description. If we do not receive the necessary documents within 30 days of the date of this letter, we will return your notice and all attachments and your notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2800.

Sincerely,
