RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Claim No. 97-7276

Dear Claimants,

The Idaho Department of Water Resources has received your Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right. We are waiting to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the use of water from Alder Creek for irrigation purposes based on a previously issued water right license. Your claim included a maximum diversion rate of 0.07 CFS and 8.4 AF annually, while the original license has a maximum diversion rate of 0.07 CFS and 12.4 AF annually. If you wish to preserve the entirety of your original water right, an amended claim form matching that license must be submitted. For your convenience, I am sending you an Amended CFPRBA Notice of Claim to a Water Right for Claim No. 97-7276 which includes all pertinent information from the originally licensed water right. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form to our office at the address listed above within 30 days of receiving this letter.

PLEASE NOTE: If an amended notice of claim is not received for this water right, IDWR will recommend this claim to the Court with the reduced diversion rate and volume. The unclaimed portion of the license will no longer be recognized when the adjudication concludes.

Please do not hesitate to contact our office if you have any questions. We can be reached by phone during business hours at 208-762-2800.

Best Regards,
