Dear Mr. & Mrs. Frye,

As per our phone conversation today, I am sending you a Notice of Claim to a Water Right form, which can be utilized to claim the water right license on your property. For your convenience, I completed much of the claim form for you, utilizing all the information from the existing license and only updating the claimant names and phone numbers. If any changes need to be made, please be sure to initial those changes before signing the claim form.

Since we are not processing the Change in Water Right Ownership form you sent, I am returning that form to you. The \$25 fee you paid for that will go towards the notice of claim. After reviewing your water right License claim, due to the Wildlife Storage aspect, the fee for filing it is \$52. Please return the signed claim form along with the remaining balance due of \$27.00 to our office at the address listed above.

Please do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Dawn R. Lenon
