

Attention to Lori Harris, Adjudication Section
Idaho Dept. of Water Resources.

I Filed my Claim to Water Rights online and
was unable to load the ^{Idaho} pay part, because my
Browser didn't allow popups or something, slow
Internet and such, I emailed you (Lori Harris)
responded and Instructed me to mail the check
with my Claim number. Thank you for handling
this matter for me, and ~~finishing~~, applying
the appropriate steps to secure my claim
to Water Rights. Thank you David E. West
