Hi Mark,

Thank you for sending that back in to us. I was able to use the scanned copy you sent to get started on amending your claim and recommending it. Unfortunately, I misspoke a bit when I said you could return it by mail OR e-mail. I was just made aware of this, and I want to apologize. While we are able to accept scanned copies in some situations, it is very valuable to our department, and to the Water Court who adjudicates these claims, to have original wet signatures. If you are able to, we would really appreciate you mailing the amended claim back to us with your original signatures on it. You can send that to the address below in my signature line.

Again, I am sorry for the confusion, and thank you for your understanding.

Thank you,
Greg Cooksey
