Re: Change in Ownership for Water Right No(s): 25-14510

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg

RE: Change in Ownership Water Right No. 25-14510

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Notice to property owners:** In order for the department to update ownership of a water right on property owned by another entity, notice to the property owner is required. According to the taxlot information available to the department a few of lots under this subdivision are owned by Douglas Felde. Please notify the property owner of the intent to update ownership as per Idaho code. *Section 42-248 - NOTIFICATION OF CHANGE IN OWNERSHIP OF A WATER RIGHT OR CHANGE OF ADDRESS OF A WATER RIGHT OWNER - NOTICE OF ACTION AFFECTING A WATER RIGHT (6) If the person filing the notice of a change of water right ownership does not own the land identified as the place of use for the water right, the notice shall be accompanied by evidence that written notice of the change of water right ownership has been mailed or hand-delivered to the landowner of record, as identified in the records of the county recorder.*

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
