Re: Change in Ownership for Water Right No(s): **51-7015**

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208)605-4620.

Sincerely,

Debra Mansfield

RE: Notice of Change in Water Right Ownership for Water Right No: **51-7015**

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

We have been able to review the additional Quitclaim Deed (Instrument #0000502293) and Warranty Deed (Instrument #313673) that you submitted to the Department on May 04, 2023. We found that the Quitclaim Deed does convey the correct property, but the Warranty Deed from the Shane & Debora Jolley does not match. We still do not have a proper chain of Ownership.

We require documentation that conveys Water Right 51-7015 from SHANE & DEBORA JOLLEY to Blue Collar Farms. Water Right 51-7015 is located in Township 7 South, Range 5 East, Section 33, in the SWNW quarter-quarter.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. I have attempted to contact you twice via the phone number (208)590-1377 regarding this matter. The dates of attempted contact were May, 09 2023 & May 19, 2023. If we do not receive the necessary information by JUNE 02, 2023 we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208)605-4620.

Subject: RE: Ownership Change for Water Right 51-7015, Documents Received 5/4/2023

Hello,

We have received the additional Quitclaim Deed (Instrument #0000502293) and Warranty Deed (Instrument #313673) from you. During our review of the deeds, we found that these documents do not convey the right property to change ownership of Water Right 51-7015.

Water Right 51-7015 is located in Township 7 South, Range 5 East, Section 33, in the SWNW quarter-quarter. The deeds and exhibits we received do not convey that property. We will need different documentation to proceed.

We will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

RE: Notice of Change in Water Right Ownership for Water Right No(s): **51-7015**

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found that we will need additional supporting documents proving your ownership of this Water Right. The Quitclaim Deeds we received show conveyance of property between SOUTHERN CROSS LIVESTOCK LLC & SHANE R & DEBORA JOLLEY.

We require documentation showing the conveyance of this Water Right from the owners SHANE R & DEBORA JOLLEY to YOU (Tanner Wing and Blue Collar Farms LLC).

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.
