Zoning and Use. Mortgagor represents that the property is in compliance with applicable zoning and use rules and regulations and that such rules and regulations allow the use of the property for the purposes contemplated and as represented by Mortgagor to Mortgagee.

Unenforceable Provision. RE: Change in Ownership Water Right No: 61-10642

Dear Interested Party:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. This water right was decreed in the SRBA court in 2000 and you acquired the property in 1996. When the court decrees a water right in the name of someone who does not own the property, the water right is severed from the property and the water right must be conveyed; therefore the Department will require a quit claim deed for the water right.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4920 or debby.judd@idwr.idaho.gov.

Sincerely,

Debby Judd
