Re: Change in Ownership for Water Right No(s): 29-2252

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.

RE: Change in Ownership
Water Rights: 29-2252

Dear Sir/Madam:

On May 22, 2023, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you needed to provide additional evidence of ownership and/or additional filing fee. On May 22, 2023, we sent a letter requesting the additional information. The additional information was to be provided within 30 days.

IDWR has never received a response to the request. Without the requested documents, we cannot verify ownership of the water right and cannot complete the ownership change. We are therefore returning your original ownership change.

Please feel free to re-file your change in ownership any time in the future. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you re-file the Assignment.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

RE: Change in Ownership Water Right No. 29-2252

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** In order for the department to update ownership of a water right a full copy of the 'recorded' Warranty Deed or other legal document indicating your ownership in the water right and/or property is required. The department received partial copies of your deeds, some missing signature pages, others missing legal descriptions and signature pages. Please provide full copies of the Warranty Deeds.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.
