All of the foregoing is referred to in this Security Instrument as the "**Property.**"

3. Final Maturity. The final maturity of the Note is May 13, 2032.

4. Grantor's Rights. Grantor covenants that Grantor is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Grantor warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

5. Charges; Liens. Grantor shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any.

Grantor shall promptly discharge any lien which has priority over this Security Instrument unless Grantor: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Grantor is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Grantor a notice identifying the lien. Within 10 days of the date on which that notice is given, Grantor shall satisfy the lien or take one or more of the actions set forth above in this Section 5.

Lender may require Grantor to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with the Loan.

6. Property Insurance. Grantor shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Grantor subject to Lender's right to disapprove Grantor's choice, which right shall not be exercised unreasonably. Lender may require Grantor to pay, in connection with the Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Grantor shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Grantor.

If Grantor fails to maintain any of the coverages described above, such failure shall constitute a default under the terms of this Security Instrument, the Loan Agreement, and the Loan. Lender may obtain insurance coverage, at Lender's option and Grantor's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Grantor, Grantor's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Grantor acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Grantor could have obtained. Any amounts disbursed by Lender under this Section 6 shall become additional debt of Grantor secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Grantor requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Grantor shall promptly give to Lender all receipts of paid premiums and renewal notices. If Grantor obtains any form of insurance coverage, not otherwise required by Lender, for

damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Grantor shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Grantor. Unless Lender and Grantor otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Grantor any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Grantor shall not be paid out of the insurance proceeds and shall be the sole obligation of Grantor. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Grantor. Such insurance proceeds shall be applied as provided in this Security Instrument and the other Loan Documents.

If Grantor abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Grantor does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property by foreclosure or otherwise, Grantor hereby assigns to Lender (a) Grantor's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note, the Loan Agreement, or this Security Instrument, and (b) any other of Grantor's rights (other than the right to any refund of unearned premiums paid by Grantor) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note, the Loan Agreement, or this Security Instrument, whether or not then due.

7. Preservation, Maintenance and Protection of the Property; Inspections. Grantor shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Grantor shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 6 that repair or restoration is not economically feasible, Grantor shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Grantor shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Grantor is not relieved of Grantor's obligation for the completion of such repair or restoration.

Grantor will operate the Property in a good and workmanlike manner and in accordance with all Applicable Law and will pay all fees and charges of any kind in connection therewith. Grantor will use, and will cause each tenant to use, good farming and animal husbandry practices on the Land.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give

Grantor notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Grantor fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Grantor has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding, (d) perform any farming operations related to the planting, growing, maintenance, and harvesting of crops located on the Property, and (e) perform any ranching operations related to any animals located on the Property. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may act under this Section 8. Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 8. Lender may perform these or any other actions it deems necessary in Lender's sole discretion to preserve the value of the Property, and/or assign to others the right to do same on behalf of Lender. Lender may make advances under this security instrument or other instrument providing security for the Note, to protect the Lender's interest in this Security Instrument or other instrument providing security for the Note from loss of value or damage. Any money so advanced (including reasonable costs of recovery and attorneys' fees) plus interest at the default rate indicated in the Note shall be due and payable by Grantor on demand and is an obligation secured by this Security Instrument.

If this Security Instrument is on a leasehold, Grantor shall comply with all the provisions of the lease. Grantor shall not surrender the leasehold estate and interests herein conveyed or terminate or cancel the ground lease. Grantor shall not, without the express written consent of Lender, alter or amend the ground lease. If Grantor acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

9. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Grantor. Such Miscellaneous Proceeds shall be applied as provided in this Security Instrument and the other Loan Documents.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Grantor.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Grantor and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Grantor.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Grantor and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Grantor, or if, after notice by Lender to Grantor that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Grantor fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "**Opposing Party**" means the third party that owes Grantor Miscellaneous Proceeds or the party against whom Grantor has a right of action in regard to Miscellaneous Proceeds.

The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property as provided in this Security Instrument and the other Loan Documents.

10. Grantor Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument shall not operate to release the lien of this Security Instrument or the liability of Grantor or any other Loan Party under this Security Instrument or any other Loan Document. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

11. Loan Charges. Lender may charge Grantor fees for services performed in connection with any Event of Default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Grantor shall not be construed as a prohibition on the charging of such fee.

12. Notices. All notices given to Lender in connection with this Security Instrument shall be given and deemed effective when delivered in accordance with the Loan Agreement. All notices given to Grantor in connection with this Security Instrument shall be given and deemed effective when delivered to Grantor in accordance with the Loan Agreement. If any notice required by this Security Instrument is also required under Applicable Law, the requirement of Applicable Law will satisfy the corresponding requirement under this Security Instrument.

13. Governing Law. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract.

14. Sale of Note. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Grantor.

15. Hazardous Substances. As used in this Section 15: (a) **"Hazardous Substances"** are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) **"Environmental Law"** means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) **"Environmental Cleanup"** includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an **"Environmental Condition"** means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Grantor shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Grantor shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Grantor shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Grantor has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Grantor learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Grantor shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for Environmental Cleanup. Grantor is party to the EIA and, for the avoidance of doubt, Grantor's obligations and indebtedness under the EIA are not secured by this Security Instrument.

16. UCC Security Agreement. This Security Instrument also constitutes a security agreement within the meaning of the Uniform Commercial Code as adopted in the State of Idaho (the "UCC") with respect to all personal property and fixtures included in the Property as described above (the "Personal Property"). All of the terms, provisions, conditions and agreements contained in this Security Instrument pertain and apply to the Personal Property as fully and to the same extent as to any other property covered. The provisions of this Section 16 shall not limit the generality or applicability of any other provision of this Security Instrument, but shall be in addition thereto.

17. Fixture Filing. From the date of its recording, this Security Instrument shall be effective as a financing statement filed as a fixture filing under the UCC with respect to the Personal Property. For purposes of such financing statement, the names and addresses of the "debtor" and "secured party" are the names and addresses of Grantor and Lender, respectively, as set forth in Section 1 hereof.

18. Use of Property; Compliance With Law. Grantor shall not seek, agree to or make a change in the permitted use of the Property or its zoning classification, unless Lender has agreed in writing to the change. Grantor shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property.

19. Assignment of Leases. Upon Lender's request after any default under this Security Instrument, the Loan Agreement, or the Note, Grantor shall assign to Lender all leases of the Property and all security deposits made in connection with leases of the Property. Upon the assignment, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph, the word "lease" shall mean "sublease" if this Security Instrument is on a leasehold.

20. Assignment of Rents; Appointment of Receiver; Lender In Possession. Grantor absolutely and unconditionally assigns and transfers to Lender all of Grantor's right, title and interest in and to the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable. Grantor authorizes Lender or Lender's agents to collect the Rents, and agree that each tenant of the Property shall pay the Rents to Lender or Lender's agents. However, Grantor may receive the Rents until Lender has given notice to the tenant(s) following an Event of Default that the Rents are to be paid to Lender or Lender's agent. This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only.

Upon notice by Lender following an Event of Default, (a) all Rents received by Grantor shall be held by Grantor in trust for the benefit of Lender only, to be applied to the sums secured by this Security Instrument; (b) Lender shall be entitled to collect and receive all of the Rents of the Property; (c) Grantor agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant; (d) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorneys' fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by this Security Instrument; (e) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (f) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing

the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness secured by this Security Instrument.

Grantor represents and warrants that Grantor has not executed any prior assignment of the Rents and has not performed, and will not perform, any act that would prevent Lender from exercising its rights under this Section 20.

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by this Security Instrument are paid in full.

21. Severability. Grantor and Lender intend as follows: (a) that if any provision of this Security Instrument is held to be unenforceable, then that provision will be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded; (b) that if an unenforceable provision is modified or disregarded in accordance with this Section 21, then the rest of this Security Instrument will remain in effect as written; and (c) that any unenforceable provision will remain as written in any circumstances other than those in which the provision is held to be unenforceable.

22. Acceleration; Remedies. In some instances, federal and state law will require Lender to provide Grantor with notice of the right to cure, mediation notices or other notices and may establish time schedules for foreclosure actions. Subject to these limitations, if any, Lender may accelerate the Note and foreclose this Security Instrument in a manner provided by law if Grantor is in default. At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the Note, any other evidence of debt, the Loan Agreement, this Security Instrument and any related documents. All remedies are distinct, cumulative and not exclusive, and Lender is entitled to all remedies provided at law or equity, whether expressly set forth or not. The acceptance by Lender of any sum in payment or partial payment on the Note after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require full and complete cure of any existing default. By not exercising any remedy on Grantor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again.

23. Redemption. The redemption period after sale on foreclosure shall be one year if the real property sold consisted of a tract of land more than 20 acres, and within 6 months after the sale if the real property sold consisted of a tract of land of 20 acres or less. Any agreement to extend the redemption period must be in writing.

24. Release of Lien. Upon payment of all sums secured by this Security Instrument, Lender shall release the lien created by this Security Instrument. Grantor shall pay the recordation costs and any fee for preparing the release of lien.

25. Attorneys' Fees. Lender shall be entitled to recover its reasonable attorneys' fees and costs in any action or proceeding to construe or enforce any term of this Security Instrument. The term "attorneys' fees," whenever used in this Security Instrument, shall include without limitation attorneys' fees incurred

by Lender in any bankruptcy proceeding or on appeal.

26. Cross Collateralization; Future Advances. In addition to the Note, all liens, security interests, assignments, suretyship obligations, stock pledges, rights and remedies granted to Lender in the Loan Documents secure all obligations, debts and liabilities, plus interest thereon, of one or more Borrowers to Lender, as well as claims by Lender against one or more Borrowers, whether now existing or hereafter arising, whether related or unrelated to the purpose of the Note, whether voluntary or otherwise, whether due or not due, direct or indirect, absolute or contingent, whether such Borrower may be liable individually or jointly with others, whether obligated as guarantor, surety, accommodation party or otherwise, and whether recovery upon such amounts may be or hereafter may become barred by any statute of limitations, and whether the obligation to repay such amounts may be or hereafter may become otherwise unenforceable. The provisions of this Section 26 shall not be construed to imply any obligation on Lender to make any future advances.

STATUTE OF FRAUDS. PURSUANT TO IDAHO STATUTES § 9-505(5), A PROMISE OR COMMITMENT TO LEND MONEY OR TO GRANT OR EXTEND CREDIT IN AN ORIGINAL PRINCIPAL AMOUNT OF FIFTY THOUSAND AND 00/100 DOLLARS (\$50,000.00) OR MORE, MADE BY A PERSON OR ENTITY ENGAGED IN THE BUSINESS OF LENDING MONEY OR EXTENDING CREDIT, MUST BE IN WRITING TO BE LEGALLY BINDING UPON SUCH PERSON OR ENTITY.

BY SIGNING BELOW, Grantor accept and agree to the terms and covenants contained in this Security Instrument and in any Rider executed by Grantor.

RE: Notice of Security Interest for Water Right No(s): 36-2517A, etc. *See attached list*
Southfield Land & Livestock LLC

Dear Security Interest Holder:

The Department of Water Resources (Department) acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to you. The Department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for you.

You will notice that Metropolitan Life Insurance Company, Agricultural Investments is copied on the letter, because they hold a security interest on a majority of the water right(s) referenced above. If this is no longer current, the Department can remove that security interest from these water right records with written authorization from Metropolitan Life Insurance Company.

It was also noted that 20 of these water rights were listed twice, making them duplicates and resulting in an overpayment of fees. Below is a breakdown of the fees paid, and refund details.

Total fees paid = \$1,725.00

64 water rights listed on the Notice & Exhibit = \$1,600.00

20 duplicate water rights listed leaves 44 water rights to be updated = \$1,100.00

Total refund due to TitleOne in Jerome, Idaho = \$625.00

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Security Interest, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
