Re: Change in Ownership & Notice of Security Interest for Water Right No(s): 36-7418, 36-17180
(formerly in the name of Crestview Calves LLC)

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department also acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to Rabo AgriFinance LLC. The Department has modified its records and has enclosed a computer-generated report for you.

You will notice that Northwest Farm Credit Services FLCA is copied on the letter because they hold a security interest on the water right(s) referenced above. The Department can remove the security interest from these water right records with written authorization from Northwest Farm Credit Services FLCA.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
