4. If the water rights and/or adjudication claims were split, how did the division occur?
- ☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
- ☐ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.

5. Date you acquired the water rights and/or claims listed above: 11-29-2021

6. If the water right is leased to the Water Supply Bank changing ownership of a water right will reassign to the new owner. The Water Supply Bank leases associated with the water right. Payment of revenue generated from any rental of a leased water right shall be made to the Water Supply Bank. The new owner shall complete IRS Form W-9 for payment to be issued to an owner. A new owner for a water right under lease shall supply a completed Lessor Designation form. Beginning in the calendar year following an acknowledged change in water right ownership, compensation for any rental will go to the new owner(s).

7. This form must be signed and submitted with the following **REQUIRED** items:

- ☒ A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
- ☒ Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
- ☒ Filing fee (see instructions for further explanation):
- o \$25 per undivided water right.
 - o \$100 per split water right.
 - o No fee is required for pending adjudication claims.
