9. 065 The right holder shall use the full allotment of appurtenant surface water rights in conjunction with ground water diverted under this right and shall only divert ground water under this right when water from the appurtenant surface water rights cannot be delivered to the right holder.
10. X61 The period of use for the irrigation described in this approval may be extended to a beginning date of 4/15 and an ending date of 10/31 provided that beneficial use of the water can be shown and other elements of the right are not exceeded.
