Re: Change in Ownership for Water Right No(s): 37-23210, 37-23208, and 37-8379

Dear Charmianne:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

These were the only rights which had both you and Lonnie listed as current owners, and now they are in your name only.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9909.

Sincerely,

Jim Bitzenburg
Water Rights Supervisor

Jim,

This letter is sent to request that any water rights that are in my name and my late husband's name Alonzo B. LeaVell aka Lonnie LeaVell be placed in my name only. I believe you have copies of the death certificate and Letter of Testamentary naming me as the Estate's personal representative.

I will make a copy of the will and bring it in to have all the remaining water rights put in my name.

Please let me know if this letter is all you need for the name change from the water rights in both our names to my name only

Thank you,
Charmy LeaVell
