by Borrowers to the order of Mortgagee in the original principal amount of $ ("**Note D**"). The final payment of principal and interest pursuant to Note D will be due on May 10, 2041.

C. Mortgagor and Mortgagee desire to amend the Mortgage to provide (i) that the Mortgage secures the obligations of Borrowers under the Note D, (ii) certain additional property is granted by Mortgagor as security for the 201757 Loan, the 201758 Loan, the 201687 Loan and the 202855 Loan, and (iii) for such other matters as set forth herein.

NOW THEREFORE, in consideration of the premises, the mutual covenants and agreements hereinafter set forth and other good and valuable consideration, the receipt of which is hereby acknowledged by the parties hereto, it is agreed as follows:

1. Confirmation of Loan. The Existing Notes, the Mortgage and the other Loan Documents are hereby confirmed by Mortgagor as being in full force and effect and Mortgagor acknowledges that it has no defenses or offsets to any of its obligations thereunder and that Mortgagee has performed all of its obligations under the Existing Notes, the Mortgage or any of the other Loan Documents to this date.

2. Additional Indebtedness Secured by Mortgage. The Mortgage is hereby amended as follows, effective as of the date hereof:

(a) Additional Indebtedness. The Mortgage is hereby amended to secure Note D and the other obligations of the Borrower under the 202855 Loan and the documents evidencing Note D and to confirm that the Mortgage secures the Existing Notes. Accordingly, the definition of the "**Note**" as used in the Mortgage and the other Loan Documents means, individually and collectively, the Existing Notes and Note D. All references in the Mortgage to the Note are hereby amended to refer to the Existing Notes and the Note D, individually and collectively.

(b) Definition of Indebtedness. The definition of "**Indebtedness**" shall be revised to include the principal, interest, and other amounts due under the Note D, in addition to the principal, interest and other amendment under Existing Notes. For the avoidance of doubt, a default under any of the Existing Notes or Note D shall constitute an Event of Default under all such notes.

(c) Pari Passu Nature of Lien. The Loans shall share and all be secured by the Mortgage and are cross defaulted with each of the other Loans. As among the Loans, so long as there exists no Event of Default, nor any event which, but for the giving and receiving of notice, would become an Event of Default, then (1) any voluntary unscheduled principal payments permitted under the terms of a Note shall be allocated to the applicable Loan as directed by the Borrowers; and (2) any mandatory, unscheduled payment of principal shall be applied pari passu to the Loans and all Loans shall be pari passu as to payment and lien priority.

3. Grant of Property. To secure repayment of the Indebtedness and payment and performance of all other obligations secured by the Mortgage, Mortgagor irrevocably and unconditionally mortgages, warrants, grants, assigns, and conveys to Mortgagee all of Mortgagor's estate, right, title and interest which Mortgagor now has or may later acquire in the Property as well as the following property, wherever located, and whether constituting real estate or personal property (collectively, the "**Additional Property**"):

Re: Notice of Security Interest for Water Right No(s): 43-46, etc. *See attached list*

Dear Security Interest Holder:

The Department of Water Resources (Department) acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to you. The Department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for you.

While processing this Notice, the following items were noted:

- The Notice was filed on behalf of Big Sky Dairy, however all of the water rights associated with this Notice are currently in the name of Pinnacle Great Plains Operating Co LLC. If the ownership needs to be updated on these water rights, Big Sky Dairy will need to complete a Notice of Change in Water Right Ownership and file it with the department.

- The Prudential Insurance Co of America is copied on this letter because they hold a security interest in these water rights. This Notice was filed in 2016 on behalf of Pinnacle Great Plains Operating Co LLC. If necessary, the department can remove this particular security interest from the water right records upon written authorization from The Prudential Insurance Co of America.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Security Interest, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
