Re: Change in Ownership for Water Right No(s): **63-11543**

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208)605-4620.

Sincerely,

Debra Mansfield

RE: Notice of Change in Water Right Ownership for Water Right No(s): **63-11543**

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

~ Please refer to the enclosed copy of your submitted Notice and supporting documentation while reviewing this request.

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the Notice you submitted we found that we require additional documentation showing the conveyance of this Water Right to you. The Warranty Deed that we received shows the conveyance of the property and its appurtenances from OWNBY LAND COMPANY, LLC to you. However, the current owners of this Water Right are NONA B OWNBY & JUNIOR OWNBY. We will need documentation showing the conveyance of this water right from NONA B OWNBY & JUNIOR OWNBY to show a clear chain of Ownership/Title.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208)605-4620.

Sincerely,
