The foregoing indemnification shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any by-law, agreement, vote of stockholders, or otherwise.

FOURTEENTH. Meetings of stockholders and directors may be held outside the State of Delaware, if the by-laws so provide. Election of directors need not be by ballot unless the by-laws of the corporation shall so provide. The books and records of the corporation may be kept (subject to any provision contained in the statutes) outside the State of Delaware at such places as may be designated from time to time by the board of directors or in the by-laws.

FIFTEENTH. The corporation reserves the right to amend, alter, change, or repeal any provision now or hereafter contained in this Certificate of Incorporation, and to add new provisions, in the manner now or hereafter prescribed by statute, and the rights of stockholders shall be and remain subject to this reservation.

Re: Change in Ownership for Water Right No(s): 63-7980 & 63-12333

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

A refund of the filing fee has been requested and will be sent to HDR, Inc. under separate cover from the Idaho State Controller's Office. Filing fees are not required for a name change.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley

Subject: Application for Permit

Dear Scott,

Enclosed on behalf of Darling Ingredients Inc. are the following:

Application for Permit seeking full appropriation of ground water from a new and an existing well for irrigation of 78 acres. Approval of the application would allow a total of 700 gpm of fresh ground water to be diverted and used for irrigation from the new and/or existing well when combined with the irrigation amounts authorized under the current water rights. Department filing fee is $250.

Water Bank Rental Application seeking full appropriation of banked ground water from the existing well for irrigation of 23 new acres during the 2023 irrigation. This will allow irrigation of the new pivot area while waiting for approval of the permit application.

Notice of Change in Water Right Ownership seeking current ownership of water rights 63-7980 and 63-12333 be listed as Darling Ingredients Inc., rather than Darling International Inc. Department filing fee is $50.

The filing fees are being paid with a credit card upon submittal.

Thank you very much for your consideration and assistance in this matter. Please call me if you have any questions.

Sincerely,

HDR Engineering, Inc.
