RE: Application for Permit No. 65-24323

Dear Applicants:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

The previous legal notice of the application scheduled for publication in the MESSENGER INDEX on 12/4/2024 and 12/11/2024 was published incorrectly. A new legal notice has been prepared and is scheduled for publication in the MESSENGER INDEX on 1/15/2025 and 1/22/2025. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Lynne Evans
Administrative Assistant

Hi Sharon,

Yes, if you could republish it in the Emmett paper on 1/15 & 1/22, that would be wonderful! The only thing changed is the relevant dates. I will go ahead and approve the invoice for the IPT printing.

Thank you so much for your help.

Yes, it was published in the Idaho Press. Unfortunately, Dawn was covering for me that week and I don't think she realized that anything you send for a publication of Wednesday date is for Emmett and what you send for publication for a Thursday date is for Idaho Press. Do I need to re-publish that legal for Emmett (at no charge, of course)? Please advise.

Good morning,

I am reviewing affidavits for payment today and realized that the affidavit and invoice for this legal notice (ad # 586907) both say it was published in the Idaho Press-Tribune. Can you confirm for me whether that is correct?

Looking back at my email submission, I apparently failed to specify which paper I wanted it in... Whoops! However, I don't see which paper the ad is scheduled for in the proof, either. Is it noted somewhere in there that I'm just missing? I had intended to schedule it for the Messenger Index and didn't realize when I got the proof that it might not have been scheduled for that paper, so if there's something I can look for in the future when I'm checking proofs, that would be very helpful.

Thanks,

Lynne Evans (she/her)
