PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 91-8041

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the **Northern Region** Office of the Department located in **Coeur d'Alene** at (208) **762-2800**.

Sincerely,

Julie Adams
Technical Records Specialist

The Department received the proof of beneficial use (proof) forms submitted for the above referenced permits with one \$50.00 license examination fee. A \$50.00 license examination fee is required for each of the submitted proof forms. The proof is not acceptable without the correct fee.

- *Permit 91-8039 authorizes a diversion rate of 0.06 cfs (cubic feet per second) and was stated the same on the form requiring a license examination fee of \$50.00.*
- *Permit 91-8041 authorizes a diversion volume of 1.8 af (acre-feet) and was stated the same on the form requiring a license examination fee of \$50.00.*

*Please submit the remaining \$50.00 of the required fees at your earliest convenience before the proof due date of **February 01, 2025** to avoid the possibility of one of your permits lapsing. You can submit the additional required fee at any of the Department's offices.*
