Mr. Mayhew,

As per our phone conversation this afternoon, I understand that you wish to update the ownership of the water right on your property located at 4535 Flume Creek Rd, water right no. 96-9037. Before we can modify our records to reflect your ownership of that water right, we need to have the attached Notice of Change in Water Right Ownership form completed and submitted along with the proper conveyance documents reflecting your ownership. A copy of the signed and notarized warranty deed typically works best for this purpose. Please follow the instructions included, and return the completed form with required conveyance documents and \$25.00 processing fee to our Northern Region's office at the address listed below.

If you have any questions regarding this matter, please contact our staff at 208-762-2800, and we will be happy to help.

Best Regards,

Evan
