Hello Mrs. Brogna,

You don't have a water right number yet. Once your motion to file a late claim is granted by the court your claim form will be forwarded to IDWR where agent will assign your claim number, enter the details in our system, and mail you a receipt containing that information.

So long story short: just leave that line blank.

Let me know if there is anything else I can hep you with.

Good morning, Michael.

I am only just now getting to the paper work you sent last month. You did a great job of labeling everything for me precisely, thank you. There is a section of the Standard Form 4 form asking for the Subcase number (insert water right number) in the upper right-hand corner and I do not see that number listed anywhere on the forms. Can you tell me what that number is?

Thank you.

Michael,

Both Bill and I have signed the attached document, who do I make the check payable to and what address do I send the form to?

We appreciate your help in this matter.

Mrs. Brogna,

Attached please find a prepared claim form you can use to file a water right claim on your well. I used the information from our discussion earlier today to fill out the form, if everything looks correct all you need to do is sign it and return it with a check for the \$25 claim fee.

If you have any questions don't hesitate to email or call at your convenience.

Thank you,

Michael Thompson
