Dear Parties,

On August 2, 2024, Good Timber Ranch filed Application for Transfer No. 89232. Protests were filed by Georgie Stanley, Susan Miller, Maguire Family Trust, Rafe and Ainsley Rivers, and Gregory G Collins.

In December of 2024, Good Timber Ranch filed an amended application that required a new legal notice to be published. The protest period for the amended application ended on January 27, 2025. Additional protests (attached) were filed by Fremont-Madison Irrigation District and Richard Gebhardt.

A prehearing conference had already been scheduled for January 30, 2025, at 3:00pm before the legal notice for the amended application was published. Please see the attached notice with participation information. I will also add the new parties to the calendar reminder, which will send a link to participate. Please note that no changes have been made; the purpose of this email is to acknowledge the receipt of the additional protests and to notify the new parties of the upcoming conference. Please feel free to contact me if you have any questions.

Thank You,
