Priority Date Explanation:

Decree and approved transfer 78393.

POU has changed slightly since transfer approval.

Rights 13-7869 and 13-7871 when combined shall not exceed the irrigation of 110 acres.

The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversions.

Point of Diversion is the John Sorensen Ditch.

This right is limited to the irrigation of 90 acres within the authorized place of use in a single irrigation season.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 13Q.
