TO WHOM IT MAY CONCERN,

Pertaining to water right 13-4043 Merlin R. and/or Opal McKay and Bryce K. and/or Carlene T. Egley

04/26/1977 Filed

Priority Date 08/06/1833

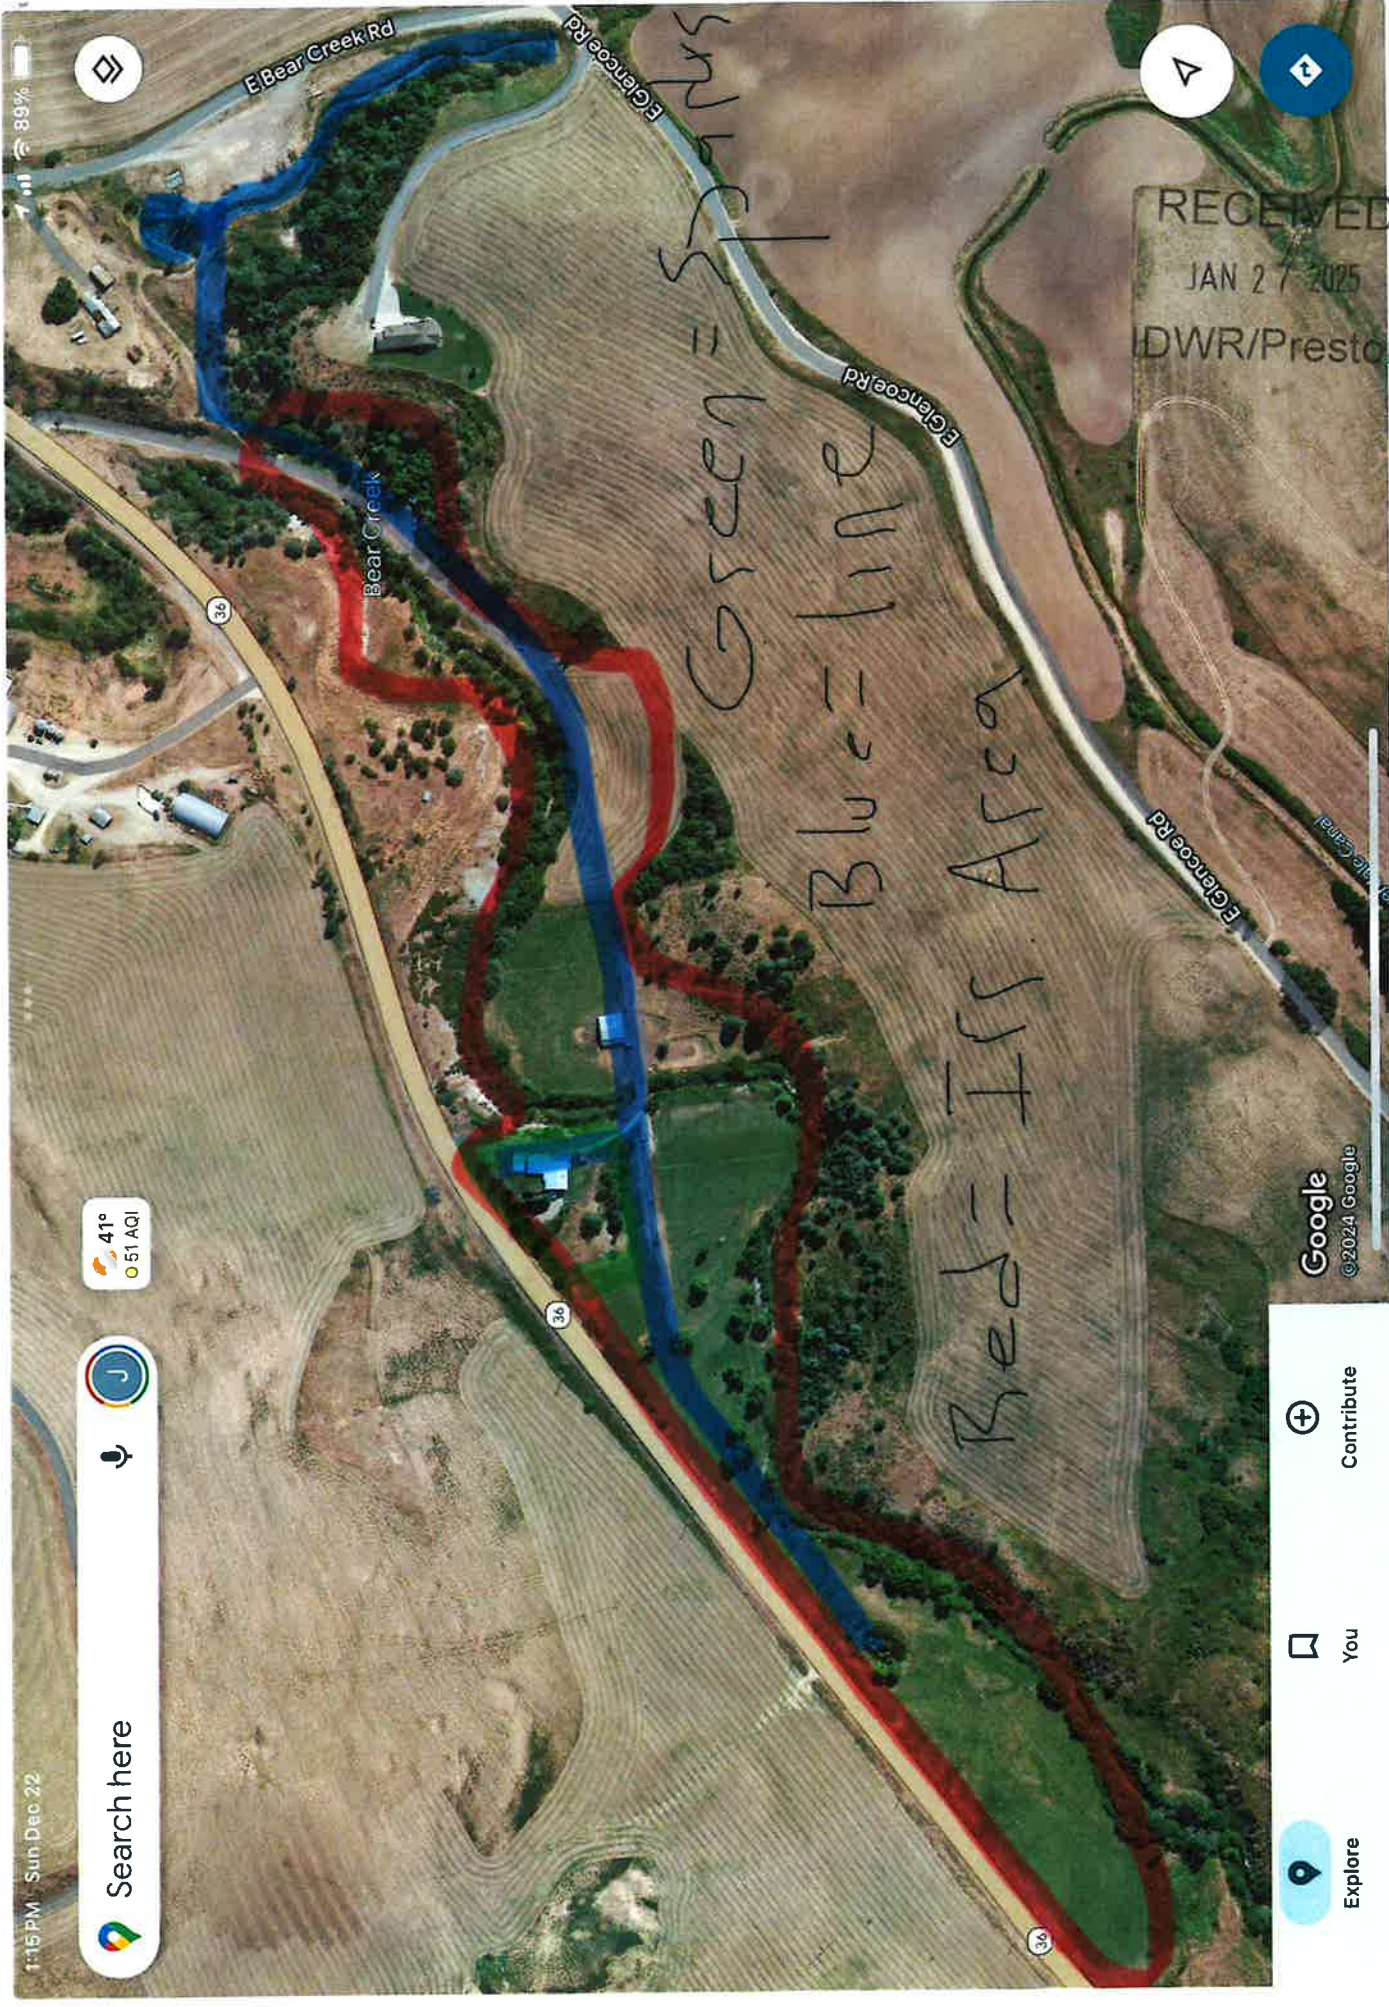

To my knowledge the diversion, ditch, collection pond, and distribution lines were developed in 1977/1978 for the irrigation of the land highlighted in the attached map as well as for year-round stock water which was accessed directly from Bear Creek and Mink Creek. Prior to that ditch and distribution system being developed the water was diverted using dams and flood irrigation and direct access to the creeks for stock water. There was a time when the McKay's and Egley's let the water run into the Preston Riverdale Canal and then used their water from that ditch. There is a diversion just above the McKay property where Bear Creek runs into the canal then can be diverted either into the canal or down the creek to the pond. I am not familiar with where and when that water was used from the ditch but do know it was used by the McKay's and Egley's for irrigating acres below the ditch. Since 1977 it has been used continually for the irrigation of the pastures highlighted in the attached map and stock in those pastures. The primary residence located at 4564 East Highway 36 was added to the system when it was built in 1983 by Dr G.W. Atwood. Also at that time some of the pastures were sold by Bryce Egley to G.W. Atwood. G.W. Atwood then sold that property and residence to William Despain. William Despain sold that property and residence to Kent Egley. Kent Egley split off the primary residence and 2 acres which was sold to Trent Sparks. The remaining pastures were sold to Per and Cassie Danfor. The pond and distribution system has been maintained since development in the late 70's by Bryce Egley, Kent Egley, Jared Egley, Lin McKay and now Per Danfor and Trent Sparks. Water for irrigation has been stored in the pond between April 1 to Nov 1 each season and distributed below the pond to the campground, pastures, and secondary water for irrigation of lawns at the residence located at 4564 East Hwy 36 Preston, ID 83263.
