RE: Water Permit 98-08012

Dear Property Owner:

The Department of Water Resources (Department) has reason to believe you may be the owners of all or part of the property associated with water right permit 98-08012 (permit). The permit authorizes a total diversion rate of 0.04 cubic feet per second of ground water for domestic use in a portion of Section 4, Township 61 North, Range 02 East, Boundary County.

According to Department records, the current permit holder is Raymond E Green & Annette Peterson Green. A condition of the permit required the permit holder to submit a proof of beneficial use statement to the Department on or before **March 1, 2025**. The Department notified Raymond E Green & Annette Peterson Green by certified mail at 8995 Old Tollhouse Rd, Winnemucca, NV 89445-8603. The correspondence was returned to our office marked "return to sender- attempted-not known" by the US Postal Service.

If you are the current owner of the property appurtenant to water permit 98-0812, a Notice of Change in Water Right Ownership must be completed.

Along with the ownership change notice, you must submit either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* form. If the Department does not receive either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* by **March 1, 2025**, the permit will lapse.

I am enclosing a copy of the permit, a map showing the place of use, a Statement of Completion for Submitting Proof Beneficial Use, a Request for Extension of Time and a Notice of Change in Water Right Ownership form for your benefit. These forms can also be found on the Department's website, www.idwr.idaho.gov.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Julie Adams
Technical Records Specialist II
