Mr. or Mrs. Kuster:

The attachments to this e-mail pertain to your original Application involving use of Lake Pend Oreille for domestic use on lakefront parcel RP036460000CA0A.. Please give me a call at (208) 762.2816 if you have questions.

The current Application contains several errors that must be corrected before we move forward to publication of legal notices on the Application. Please print out the attached copy of your original Application and make the following initialed and dated corrections to the following lines on the Application.

- 1) Line 4 should have Govt Lot 5 deleted unless you intend to operate two Points of Diversion (POD) from the lake. A second row with a '...5...' added to the Govt Lot column must be added if you intend to operate a second POD to serve the Place of Use (POU) lot.
- 2) Please put two 'X's on the map (one for each POD) from the lake on the substitute map I have provided (see attachment) if you intend to operate a second POD to serve the Place of Use (POU) lot..
- 3) The correct quantity for Domestic (one home) on Line 5 and Line 6 should be 0.04 CFS instead of 0.12 CF.S Please add ' ...includes 0.5 acre lawn irrigation...' after the word '...household...' on line 8(d).
- 4) Line 9 should not have an acreage quantity for Domestic use.. Up to 0.5 acres of lawn, garden, misc. irrigation is included on Line 8 (d).

Please contact me about labeling a map to use for your completed Application, initialing & dating, and please note that the final Application received by IDWR must have an original signature.

Thanks,

Shaun Maxey
