Narrative:

The purpose of this survey is to resolve discrepancies among the legal descriptions of Tax Nos. 51, 57, 59 and 60 as shown on the Records of Survey filed as Inst. No. 390024 and Inst. No. 421028. Lot 10 of Richardson's Addn. is the basis for at least one of the legal descriptions and lines of occupation do not match all the platted dimensions. For this survey the southwesterly boundary of Tax Lot 57 as shown on ROS 390024 is accepted as the best evidence of the northeasterly boundary of Lot 10 of Richardson's. Other found monuments from the aforementioned surveys were used as controlling corners for this survey, and an existing fence between Tax 57 and Tax 59 was accepted as best evidence of the property boundary line. The east bank of Whitebird Creek as it now exists is accepted as the boundary for Tax 51. Old Hwy. 95 is now part of the Whitebird Highway Dist. The right-of-way width shown on ROS Inst. No. 421028 is 30' from centerline. I used the centerline of the existing pavement from which to measure the right-of-way.

Re: Change in Ownership for Water Right No(s): 79-7007

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 287-4942.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley".
