MEMORANDUM

April 28, 2023

Application for Permit: 96-15021

Author: LBates *JSB 4/28/23*

Subject: Priority date designation

Applicant's initial online filing received on 3/2/2023 required amendment of beneficial uses to be accurate for filing.

Applicant submitted an amended application received via the E-file account on 3/30/23 which changed the beneficial use from domestic to irrigation in addition to altering the diversion rate to reflect 0.03 cfs. The amendment didn't assign irrigation acreage values to the POU in step No.8. Department staff reached out to request a 2nd amendment making this designation for step 8.

A 2nd amended application was received via the E-file on 3/31/2023 which captured the applicant's intent to irrigate 0.30 acres as annotated on the amended application. The priority date has been advanced from 3/2/2023 to reflect date of last submission of amended form of 3/31/2023. This change was made in ADHOC prior to the advertisement period.
