MEMORANDUM

April 25, 2023

Application for Permit: 96-15921

Author: LBates *JSB* *4/25/23*

Subject: Irrigation acreage legal description

Applicant's application designates 0.6 acres irrigation with the legal description Twp 57N, Rge 3W, Section 36, NWNW, Gov Lot 2. During data entry to ADHOC staff identified that the applicant's parcel and POU designation by map lies in both the government lot & non-government lot portion of the NWNW QQ.

Data entry maintained the Gov Lot 2 legal description for advertisement, and it is recommended that the permit be approved as filed. Once the future field examination is complete, the irrigation acreage needs to be clarified and shifted with legal description aligning to both the GL2 & non-GL2 allotment for the NWNW QQ. Shifting of irrigation acreage in this scenario is authorized at time of licensing and will serve as a reasonable and efficient path toward finalizing the water right POU.
