The Department received proof of beneficial use (proof) form submitted for the above referenced permit. A \$100.00 license examination fee was submitted with the proof form. This permit authorizes a diversion rate of 2.50 cfs (cubic feet per second) and was stated the same on the form, requiring a license examination fee of \$150.00.

If the additional \$50.00 fee is not submitted by 01/28/2024, the Department will process the proof at the diversion rate for the \$100.00 license examination fee that was submitted (diversion rate of 0.21-1.00 cfs). You can submit the additional fee at any of the Department's offices.

If the proof is processed with \$100.00 fee and during the field examination, it is deemed the development water usage is more than 1.00 cfs an additional fee would be required as shown below:

- 1.01-2.00 cfs an additional \$25.00 fee would be required
- 2.01-2.50 cfs an additional \$50.00 fee would be required

If you have any questions concerning this matter, please contact me at (208) 287-4945.
