Re: Change in Ownership for Water Right No(s): 78-146, 78-147, 78-148, 78-149, 78-150 & 78-7305

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley

RE: Change in Ownership Water Permit No(s): 78-7305

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Assignment of Application for Permit (Assignment).

Water permit 78-7305 is no longer in the application stage. It was permitted on 11-14-2016. The Department cannot accept the Assignment. Water right 78-7305 will be added to your Notice of Change in Water Right Ownership form. However, the Department will need an additional \$25 to update the ownership of permit 78-7305

Effective July 1, 2000, Idaho legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be **\$25**. Please send the additional fees to the address above.

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days the ownership of water permit 78-7305 will not be updated.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or addresses are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley
