DEPARTMENT OF WATER RESOURCES
STATEMENT OF COMPLETION
FOR SUBMITTING PROOF OF BENEFICIAL USE

FOR OFFICE USE ONLY

Amt. of Fee \$ 125.00Receipt No. C118070Received By KMDate Received 4.1.24

The Idaho Department of Water Resources (Department) considers this form a statement that the permit holder(s) applied water to beneficial use and completed development of a water right to the extent described below. **This form must be accompanied by an examination fee, when necessary, or by a completed Beneficial Use Field Report prepared by a certified water right examiner (CWRE).** Please refer to the instructions and fee schedule for this form. If ownership of the permit has changed, complete a Notice of Change in Water Right Ownership form. If you wish to relinquish your permit because you have not established the authorized water use and are not applying for an extension, please notify the Department in writing.

- Permit No. 67-15325 Name of Permit Holder(s) Kenneth and Tanya Billington
Telephone No. 541-390-0412 Email tanyakenny1@outlook.com
Mailing Address 2310 Waite Rd. City Midvale State ID Zip 83645
- Source of Water Ground Water If Ground Water (well), Date Drilled mo. 7/2 / yr. 1998
Drilling Permit/Tag No. W066500/W066150 Drilling Company's Name SOS Welldrilling and Pump Co.
- Extent of use(s) completed as authorized by the water right permit:
Domestic (No. households) 1 Irrigation (No. acres) 11 Stockwater (No. and stock type) 13, Cows/Horses
Other _____
- Total diversion rate or volume (storage only) for which proof is submitted 1.63 cfs OR _____ af
If the total developed water use is 5 acres of irrigation or less, is stockwater storage of 14.6 acre-feet or less, or has a diversion rate of less than 0.24 cfs, attach a map of the place of use and point of diversion and photographs showing beneficial use.
- Describe the diversion and delivery system from the water source to the use (pump, lift, irrigation method, etc.)
From well via 5hp pump, vertically 120ft to surface into 4" main lines. Main line travels 20ft to a tee. South of tee, main line goes 240ft with risers every 60 ft. North of tee is 600ft of 4" main line with risers every 60ft of the last 300ft.
- Permit condition compliance. Refer to the permit approval conditions and check all the items required, then check "Yes" or "No" to indicate whether the required items were established, submitted, and/or installed:
Required? Yes No (If "Yes", attach required data, evidence of compliance, or evidence of installation)

RE: Permit # 67-15325

Today we called to discuss what the next steps are to turn our permit into a license. We spoke to Allen and when he pulled our paperwork he saw that we had transferred some of our water rights permit to Brian Pecht. We did that at the direction of someone in the IDWR's office via a phone conversation in February of 2022 because we had sold the Pecht's 36 acres. The original irrigation permit for was 75 acres.

On the assignment of permit we notated that the transfer was for 36 of the 75 acres, that it only included rights off Lot 6 and under 2 parcel #'s.

We are ready to move forward with what we are successfully irrigating which we believe to be appropriate 11 acres.

We look forward to hearing from you and scheduling a visit.

Sincerely,

Kenneth R Billington and Tanya S Billington

PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 67-15325

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form (proof) submitted for the above referenced permit.

A \$125.00 license examination fee was also submitted with the beneficial use form. This permit authorizes a diversion rate of 0.84 cfs (cubic feet per second) requiring a license examination fee of \$100.00. The \$25.00 portion of the submitted fee in excess of the required amount will be returned to you in a separate mailing.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Western Region Office of the department located in Boise at (208) 334-2190.

Sincerely,

Jean Hersley
