RE: Change in Ownership Water Right No: 82-10149

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership. However, the Warranty Deed supplied did not include page 2 with the signatures and notary stamp. In order to complete the ownership change please submit the second page.

Because the Department cannot process the Notice without the complete deed, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days of the date of this letter we will return your notice and all attachments and your notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2807.

Sincerely,

Micki Bowman
Administrative Assistant 1
