**WATER RIGHT CHRONOLOGY
A51-02219**

September 22, 1966

This is the priority date of the original license. The licensed right established irrigation of 300.0 acres with a diversion rate of 1.36 cfs.

August 24, 1988

An Extension of Time to Avoid Forfeiture was received on this date covering the entire licensed right. The Extension was advertised but never signed.

January 13, 1989

The adjudication claim A51-02219 and transfer #3570 were received on this date. The claim identifies 120.0 irrigated acres with a diversion rate of 1.36 cfs. The transfer identifies 0.20 cfs which are intended for stockwater use.

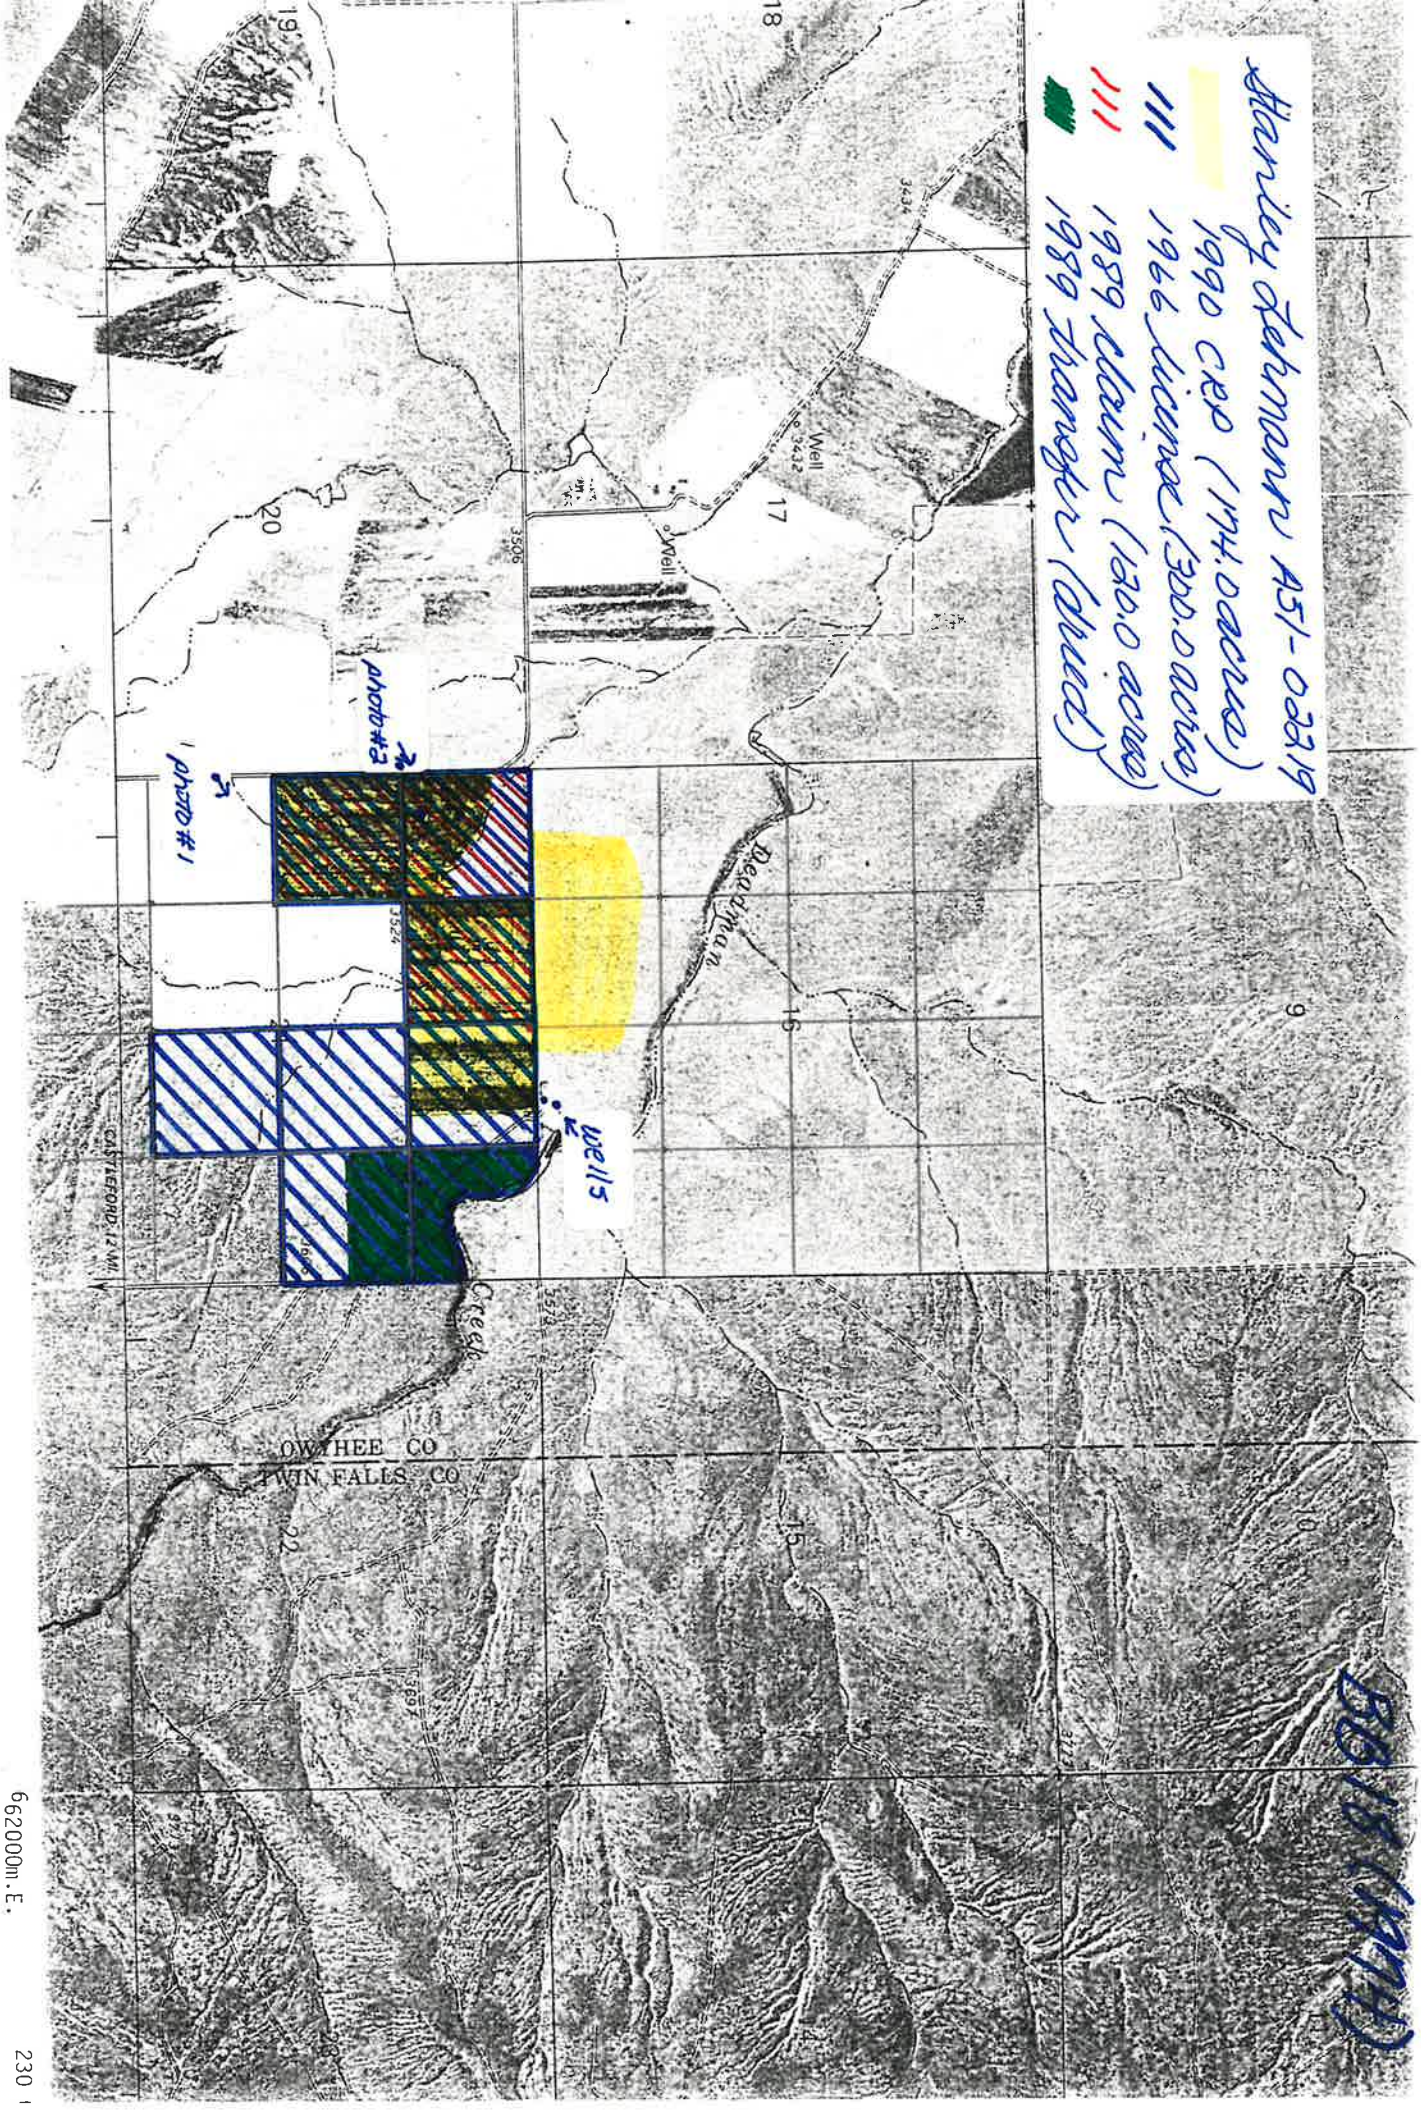

Recommendations:

The transfer does amend A51-02219, but only as regards diversion rate. The lands identified on #3570 to be removed from irrigation are not identified on A51-02219 and are therefore not subject to the adjudication. A51-02219 should be recommended as 51-02219A with a diversion rate of 1.16 cfs.

The use identified on the transfer does not represent a required claim (stockwater use for 1000 head). When the decree is entered, this stockwater right should remain secure.

Re: Adjudication Claim No. A51-02219

Dear Mr. Lehmann;

The Department of Water Resources will be conducting field examinations in your area from May 11 through May 15, 1992. After these examinations are complete, your water rights will be recommended for licensing by the Department or decree by Judge Hurlbutt in the Snake River Basin Adjudication. The recommendations will be based on our findings in the field.

Information on your permit or claim that may need to be verified includes: the source of water used, water uses and amounts of use, legal descriptions of the point of diversion and place of water use and, in some cases, the claimed date of priority.

It is not mandatory that you accompany the field agent during the examination. However, it would be most helpful for yourself, or a knowledgeable representative, to be available should questions arise.

If you have questions, or wish to schedule the examination, please call (208)327-7925 and speak to Roxanne McCarthy or Helen Thornton.

Sincerely,

A handwritten signature in cursive script that reads 'Roxanne McCarthy'.
