Re: Adjudication Claim Nos.: A51-02190, A51-07034

Dear Mr. Parnell,

The Department of Water Resources will be conducting field examinations in your area from May 11 through May 15, 1992. After these examinations are complete, your water rights will be recommended for licensing by the Department or decree by Judge Hurlbutt in the Snake River Basin Adjudication. The recommendations will be based on our findings in the field.

Information on your permit or claim that may need to be verified includes: the source of water used, water uses and amounts of use, legal descriptions of the point of diversion and place of water use and, in some cases, the claimed date of priority.

It is not mandatory that you accompany the field agent during the examination. However, it would be most helpful for yourself, or a knowledgeable representative, to be available should questions arise.

If you have questions, or wish to schedule the examination, please call (208)327-7925 and speak to Roxanne McCarthy or Helen Thornton.

Sincerely,

Roxanne McCarthy

Re: Snake River Basin Adjudication (SRBA)
Owyhee County - Permit No. 51-02204

Dear Mr. Parnell,

I recently began review of your water rights in Owyhee County in preparation for the upcoming field season. I am reviewing A51-02190 and A51-07034, claims submitted in the Snake River Basin adjudication for groundwater.

While reading your existing claims, I noticed that a Permit for diversion from Deadman Creek was not claimed. I have enclosed a summary of that right for you. Do you currently use this right? If you have not abandoned your use of this water, an adjudication claim must be filed to represent it to the court. Please call me at 1-800-451-4129 and let me know the status of this Permit.

Please call before April 27, 1992, or I will assume you do not wish to file on Permit No. 51-02204. Do not hesitate to contact this office if you have any other questions.

Sincerely,

A handwritten signature in cursive script that reads 'Roxanne McCarthy'.
