Priority Date Explanation:

This is the date given on the decree. This use continues to this day.

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 13A.

The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.

This right does not grant any right-of-way or easement across the land of another.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion.
