Dear Mr. Bowling,

Upon review of your Notice of Claim filed 9/9/2021, we see that your claim was filed in individual ownership; however, we did also notice that the county records indicate that your property may be owned by a trust. If the property is, in fact, owned by a trust, I strongly recommend changing the ownership of the water right to match the ownership of the property. If this is incorrect, or if you wish to keep the ownership in your individual names, no further action is needed.

If you decide to change the ownership into a trust, I have included an amended claim which can be used to change the ownership of your claim into the trust. Please complete question #1 by adding the full name of the trust, as well as the mailing address you would like us to use. Lastly, please have someone who is authorized to sign on behalf of the trust complete the signature block on #14, paying special attention to what each line is asking for. There are no additional fees required for this amended claim. Once it's complete, please mail it back to our office as soon as possible at the address above.

Please do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Greg Cooksey
Senior Water Resource Agent
