EXTERNAL

Good afternoon Charlie,

I am completing the intake for the Water Supply Bank lease/rental package for William B. Gordon and Thomas W. Weisel. I did not see that a map was included with either application. I have attached the previous lease map for water right 37-2619; will this new lease application be for the same acres? If so, I can use this map for the new application. We will also need a map for the rental application **within 30 days** identifying the specific 1.0 acre that is requesting to be irrigated. Please let me know if you have any questions.

Thank you,
